# GREAT JOB SELF

## STAGE STARS

### DANCE AND ACRO

was founded with the core value of “Great Job Self”. This phrase is known and used by all of our dancers to indicate a high level of self-respect and appreciation. We achieve this through teamwork and advancement through the different levels of dance education. Our Summer Programs focus on helping children build that same self-respect, confidence, and technique in our week-long workshops.

## Registration

Registration is to be completed through Jack Rabbit, accessible from
